INTRODUCTION

The Junior Research Fellowship (JRF) scheme of the University Grants Commission (UGC) is open to candidates who qualify in the National Eligibility Testing (NET) of the UGC and the UGC-Council of Scientific and Industrial Research (CSIR) joint test. However, please note that these are qualifying tests only and do not bestow a fellowship upon the candidate.

OBJECTIVE

The objective of the JRF scheme is to provide opportunities to NET-qualified candidates to undertake advanced studies and research leading to M.Phil/Ph.D. Degrees in Humanities and Social Sciences including Languages and Sciences.

TARGET GROUP/ELIGIBILITY

Target Group: Candidates who have qualified in NET or the UGC-CSIR joint tests.

Eligibility: Candidates who have qualified in NET or the UGC-CSIR joint test. However, the selection for the JRF is made by the universities/institutions/colleges.

NATURE OF ASSISTANCE AVAILABLE UNDER THE SCHEME:-

The tenure of fellowship is initially for two years under the JRF scheme. Upon expiry of this period, the work of the Fellow will be evaluated by experts. If the research work is found satisfactory, his/her tenure will be extended for a further period of three years under the enhanced emoluments of the Senior Research Fellowship (SRF).

In case the work for the first two years is not found satisfactory, an additional year will be given to him/her for improvement. However, during this period he/she will be designated as a Junior Research Fellow. In such cases work will be evaluated again after three years, and if improvement is found, the Fellow will get two more years under the SRF. Thus, the total period of fellowship (JRF and SRF) is five years, will no further provision of extension.

In other cases, leave without fellowship will be restricted to a period not exceeding three months during the tenure of the award on the recommendations of the supervisor and the institution. Procedure For Approval By The UGC:-

The award of JRFs is made candidates by the universities/institutions/colleges on the basis of UGC-CSIR/NET examinations for admissions to Ph.D., including M.Phil.

- The candidate must get himself/herself registered for M.Phil/ Ph.D. at the first available opportunity but not later than a period of two years from the issue of Eligibility Certificate of UGC NET/UGC-CSIR Examinations.

Procedure For Release Of Grants By The UGC :-

On receipt of the Joining Report in the prescribed proforma (**Annexure-II**) and eligibility certificate from the university/institution, the UGC office will accept the candidature of the Fellow and will release the first installment of admissible grants to the institution/university/colleges on a financial year basis, that is, April to March each calendar year.

The university/institution/college may pay the fellowship amount to the Fellows, out of the grant paid in lump sum by the Commission for the purpose in accordance with the rules, to avoid any hardship to the Fellow, due to delay in payment to them. The next installment of fellowship grant will be released to the university/institute/college on receipt of the Complete Utilization Certificate along-with item-wise Statement of Expenditure of the previous grant released by the UGC for the purpose, duly signed by the competent authority (Registrar/Finance Officer in case of universities and principals in case of colleges) (**Annexure III, IV, V and VI**)

In special cases the Commission may place a JRF in an institution not covered by the UGC Act if the institution concerned agrees to provide all the infrastructure for the research of the fellow and to meet all expenditure out of departmental assistance as per rules. The Commission in such cases will either provide advance funds to such institutions and accept a Utilization Certificate/Statement of Expenditure duly signed by the JRF, countersigned by the head of the concerned institution or reimburse the expenditure incurred in accordance with the rules.

Procedure For Monitoring The Progress Of The Scheme:- The performance of the Junior or Senior Fellow is monitored by their respective supervisor/guide and reflected in the yearly progress report submitted to the University for submission to the UGC office. (**Annexure VII**).

On completion of first two years of award, the fellow may apply to the department/university concerned for the up gradation of SRF. For this a three member committee will be constituted with a Supervisor, Head of the Department and **External Expert subject expert to evaluate the research work.** The Minutes of the Constitution of Committee and recommendation of the Committee for up gradation may be sent to University Grants Commission. Therefore, the fellow will be upgraded and designated as SRF.(**Annexure- VIII**). The recommendation of the Committee in the prescribed proforma may be submitted to this office for record.
