

No F-(ECR-SERB)-JRF Online A2
Date d 11-10-2017

UNIVERSITY OF KASHMIR, SRINAGAR

Department of Nanotechnology

Applications are invited for the post of JRF for DST-SERB sponsored research project

Title of the project: Facile nano-engineered polyurethane nanofibers incorporating titanium dioxide (TiO₂) and silver (Ag) nanoparticles towards guided bone tissue-regeneration

Principal Investigator: Dr. Faheem A sheikh, Department of Nanotechnology, Science Block, 2nd Floor University of Kashmir, Hazratbal-Srinagar-190006

Funding Agency: ECR DST-SERB, Government of India

Project Duration: 3 Years

Project Fellowship: A consolidated amount of Rs. 25000/= will be paid for the first two years and Rs 28,000/= for 3rd year only if performance is found to satisfactory during first two years. No HRA will be provided.

Essential Qualification: Postgraduate degree in Chemistry/Physics/Biology/Material Science/Nanotechnology or graduate/postgraduate degree in a professional course. NET/GATE candidates will be given preference.

Interested candidates may send their complete resume, with copies of the mark sheets and certificates, proof of experiences, publications, if any to the below mentioned address. The extended deadline for receiving the applications is **16/10/2017**. The applications may also be communicated via e-mail. The application cover must be superscripted as "DST-SERB JRF Recruitment". *The candidates who have already applied need not to apply again.*

Address for correspondence:

Faheem A Sheikh, Ph.D.
