HAZRATBAL SRINAGAR, JAMMU & KASHMIR- 190006

No. F(advertisement) Bot/KU/23

Dated: 26-07-2023

Advertisement Notice

Applications on plain paper are invited from interested and eligible candidates for **one position** of '**Junior Research Fellow**' in the project titled "*In vitro propagation as a measure for sustainable conservation of elite chemotype of the threatened medicinal herb Rheum moorcroftianum Royle from North-Western Himalaya*" sponsored by Science and Engineering Research Board (SERB-DST), Govt. of India, New Delhi. The applications must contain photocopy of all the essential qualification certificates besides a short resume (CV) including a brief statement of research interests and future goals.

Position	Essential Qualifications	Desirable
Junior Research Fellow (ONE) **Stipend:** Rs. 31,000/- per month + HRA (16%)	**M.Sc. Botany** with at least 55% marks or equivalent CGP grade.	• Good knowledge of medicinal flora of Kashmir Himalaya with experience in field studies. • Interested and well-skilled in tissue culture of medicinal plants. • Qualified CSIR-UGC NET exam or equivalent.

The applications along with relevant documents must reach the undersigned by hand/post by or before **August 10, 2023**. Candidates are advised to mention working phone numbers and email id's in their applications for all related correspondence. Date of interview will be communicated through email/phone. No TA/DA will be paid for appearing in the interview. The position is purely temporary and co-terminus with the project and will be initially for a period of one year with possible extension contingent to the performance of the candidate. Queries, if any, can be addressed to the concerned PI at zakallu@yahoo.com or the Co-PI at drshahzad@uok.edu.in

Please note that any sort of reference/recommendation will not be entertained.
