DEPARTMENT OF CHEMISTRY

A DST Assisted Department under FIST

Date: 08-04-2024

Advertisement notice

Applications are invited from eligible candidates for one position of Junior Research Fellow (JRF) in a research project entitled, “**Designing Metal-Organic Framework/SAIL based Catalytic Green electrolyte Interfaces for doubly sustainable electrochemical CO₂ fixation for the synthesis of value-added Products**” funded by DST-SERB as per following details.

Name of Position	Essential Qualification	Desirable Qualifications
JRF	M.Sc. Chemistry with a minimum of 55% marks	1) NET/SET/GATE Qualified Candidates will be given preference. 2) Candidates having prior research experience will be preferred.

The applications with full details (Name, qualifications, residential address, contact number and email ID) along with photocopies of relevant documents should reach to the undersigned through email (**Subject line: Application for JRF Position funded by DST-SERB**) as single pdf file or shall be submitted as hardcopies by or before 20th of April, 2024. The monthly remunerations will be as per the guidelines of DST. The applications will be screened and shortlisted candidates will be called for Interview. The position is purely temporary and co-terminus with the project. The date of interview will be communicated separately through email/call.
